

Open House #2 for Element 7 Parks & Recreation Update 2025 Island County Comprehensive Plan

Island County is developing an update to Element 7 of the Parks Plan aimed at creating the community's vision for a new long-term plan for Island County Parks and Natural Resources.

To make the Plan successful, County Parks would like to hear from as many people as possible. Residents are encouraged to participate in one of the several public involvement events. Community feedback is needed to determine how the County can manage its existing resources while working with other key partners to protect important natural resources and habitat areas county-wide.

We are hosting Open House #2 in four areas around Island County. Open House #1 introduced the goals of the plan and to give community members a chance to think about what is out there now, and what they hope to see in the future in our parks, trails, and natural resources. Open House #2 will offer the same options Virtual/In-Person.

Open House #2 Virtual/In-Person

Location:	Camano Library Meeting Room	Oak Harbor Library, Skagit Valley College Campus	Coupeville Library Meeting Room	Freeland Hall Freeland
Address:	848 N Sunrise Blvd, Camano Island, WA 98282	1000 Regatta Dr, Oak Harbor, WA 98277	788 Alexander St, Coupeville, WA 98239	1515 Shoreview Dr, Freeland, WA 98249
